81 Glenbard North students named State Scholar finalists

Eighty-one Glenbard North High School students, more than 10 percent of the senior class, have been named Illinois State Scholar finalists.

The Illinois State Scholars program recognizes high school students for outstanding academic achievement.

Students ranking in the top 10 percent of the state's 137,000 high school graduating seniors have been named Illinois State Scholars. Selection is based on SAT I and/or ACT test score results and/or the students' class rank at the end of the junior year of high school.
